

Dear Resident:

On Sunday, November 8, 2009, the Gazelle Foundation, a local 501(c)3 organization, will host the 3<sup>rd</sup> Annual Gazelle Foundation's Run for the Water presented by Keller Williams Realty.

The Gazelle Foundation implements charitable efforts to improve life for people in Burundi and offers assistance to children of our community. The Foundation was founded by runners seeking to encourage the entire community to support victims of adversity and local youth through running-related programs.

The 10 mile race will start on the South First Street Bridge just north of Riverside Dr at 7:00am and runs north to Cesar Chavez, west on Cesar Chavez to Stephen F. Austin Dr; west on SFA Dr, to Lake Austin Blvd. At Lake Austin Blvd the runners run west to Exposition. At Exposition the runners turn north and run north on Exposition to Enfield. At Enfield the runners will turn left and go west to Pecos, then at Pecos the route turns north and proceeds north to Scenic Blvd. At Scenic, it turns left and runs south to Stevenson to Rockmoor to Cherry and then back to Lake Austin Blvd. The runners will run east on Lake Austin Blvd to Cesar Chavez and then Cesar Chavez back to the start/finish line area on the South First Street Bridge. This is route is similar to the one used in 2008.

Early road closures will begin on the South First Street Bridge between Cesar Chavez and Riverside Dr at 4:00am. Cesar Chavez between Lavaca and Mopac will close at 5:00am to eastbound traffic, as well as the east bound lanes of Lake Austin Blvd between Enfield and Mopac. Two way traffic will be maintained on Lake Austin Blvd between Mopac and Enfield. The rest of the coning for the race route will be in place by 6:30am. Officers of the Austin Police Department will be stationed to assist motorists through the road closures prior to and after the runners passing an intersection.

Intersections along the route will remain open as long as possible and will re-open as soon as possible after the last runners have passed.

If you have any further questions, please contact David Grice @ 512-536-6987 or email [info@gazellefoundation.com](mailto:info@gazellefoundation.com).
